At Tapestry, resident service is an important point of differentiation in our communities. Friendly, courteous, and prompt service is critical to the vibrant and dynamic community experience we strive to create every day. Ideally you have experience working with seniors in a high-quality, service-oriented community/organization. Responsibilities include carrying out treatments and services as directed by the Health Manager such as ambulation, emergency response, and medication administration; dealing tactfully and courteously with residents, families and visitors; reporting concerns, and incidents as required; and completing documentation in a timely, accurate and efficient manner. Reporting to the Wellness Manager, this role plays a critical role in supporting the delivery of our Mission within our community, which operates 24-7/365 days.

We create memorable moments in thriving, connected communities where individuals experience healthy and fulfilled lives. Tapestry has redefined the traditional model of seniors housing. We provide residents with a wealth of options and services. Whether residents want to socialize with friends and neighbours at one of our community events, keep strong, flexible and fit with personalized workout routines, enjoy a made-to-order gourmet meal in the full-service restaurant or prepare a favourite dish in their own full-sized, in-suite kitchen – at Tapestry, it is all possible.
