At Tapestry, resident service is an important point of differentiation in our communities. Friendly, courteous, and prompt service is critical to the vibrant and dynamic community experience we strive to create every day. Ideally you have two years' experience in a fast-paced community/organization. Responsibilities include creation of programs related to supporting the seven dimensions of wellness, supporting the creation of key community publications and promotional materials, serving as one of the community's bus drivers, and proactively interacting with residents to assess feedback to continuously evolve programs. Reporting to the Wellness Manager, this role plays a critical role in supporting the delivery of our Mission within our community, which operates 24-7/365 days.

We provide residents with a wealth of options and services. Whether residents want to socialize with friends and neighbours at one of our community events, keep strong, flexible and fit with personalized workout routines, enjoy a made-to-order gourmet meal in the full-service restaurant or prepare a favourite dish in their own full-sized, in-suite kitchen – at Tapestry, it is all possible.
